

HOW TO

RIDE SUSTAINABLY IN 2022

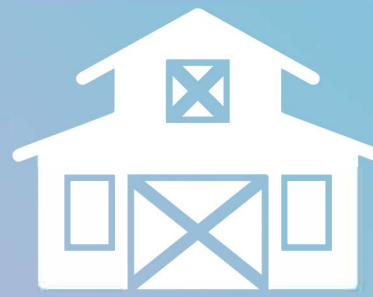

FOOD

Choose sustainable food free of pesticides and herbicides for yourself and your horse!

TRAVEL

Carpool to the barn, choose an electric vehicle (EV) and consider carbon offsets.

HOME/BARN

Insulate and swap to LEDs. Save money while saving the planet.

COMMUNITY

Volunteer with local initiatives to do cleanups and spread community awareness.

Follow these simple tips to help you ride sustainably in 2022!

TECHNOLOGY

Skip the printer. Access show entries, prize lists, and course sheets online!

WASTE

Replace single-use plastics with refillable water bottles for shows.

NATURE

Compost at your barn and home. Avoid toxic stable management and grooming supplies.

SHOPPING

Support your local tack shops and feed stores while cutting back on packing and shipping materials.
