

The USHJA Outreach Program

The USHJA Outreach Program has been established to engage and connect hunter and jumper riders and horse owners with the USHJA by providing the opportunity to participate in USHJA branded classes and competitions, to earn points toward year-end rewards and awards, and to earn the chance to participate in the prestigious USHJA National Championships.

The USHJA Outreach Program offers Show Management several levels of participation which can be tailored to offer safe, fair and sportsmanlike competition.
