

Dear Competition Secretary:

Thank you for your participation in the International Hunter Derby Program. Below are a few helpful hints for a successful Derby. This event should be referred to as the USHJA International Hunter Derby Series, 2024 Series Event.

### **Enrollment for the 2024 Series**

- Horses must be enrolled in the program to compete in an International Hunter Derby. *Exception: Exhibitors may show in one class in the series year without enrollment.*
- Horses will then be eligible for inclusion on the regional and national money won tracking lists. Only money earned by riders on enrolled horses will count toward the regional and national rider money won tracking lists during the 2024 series. Money won in International Hunter Derbies prior to enrollment in the program is not retroactive and does not count toward tracking lists or regional awards.
- The 2024 International Hunter Derby Championship will not require minimum points/money won to qualify.
- Enrollment is valid through November 30, 2024.
- Class entries can be checked against the list of enrolled horses here: <https://hjdata.ushja.org/ihd/enrolled-horses>
- Check the “ineligible” list of horses emailed to you separately for the list of horses who have already competed in one IHD without enrollment. If a horse is entered in your class, but is on the “ineligible” list the **must** enroll in order to compete. *Ineligible horses that compete and place will be disqualified, results will be re-pinned and prize money redistributed.*

**All IHD entries must complete and sign the Official International Hunter Derby Declaration Form, for each horse they ride.** This is the only document in which riders may declare the section to which their horses’ money/points will be credited. The competition must submit the declaration forms to both the USHJA and USEF offices for the riders’ sections to be credited.

### **For your results to be considered complete we need the following:**

- 1<sup>st</sup>-12<sup>th</sup> Place results for the First Round, including declared section
  - 1<sup>st</sup>-12<sup>th</sup> Place results for the Second Round, including declared section
  - Champion-12<sup>th</sup> Place overall results, including prize money won and declared section
- \*All results must also include horse, rider and owner information*

Please fax or email the complete list of your results, declaration forms and fee report (if paying by credit card) immediately following your class to USHJA at (859) 258-9033 or [hunterdept@ushja.org](mailto:hunterdept@ushja.org).

Please do not email credit card information.

*Please have your show photographer email the photo of the winner mentioned in the host agreement to [hunterdept@ushja.org](mailto:hunterdept@ushja.org) after the conclusion of the competition with the relevant caption and photo credit.*

All horses entered in this class must complete the standard entry form you have for your horse show, complete with the USEF required signatures, drug fees, et cetera.

Included:

- Judging the International Hunter Derby information.
- List of awards.
- IHD and sponsor public announcements.
- Declaration Form – must be provided for entries to complete. Entries must declare for points to count.
- Rider Meeting Agenda
- Biography Form – optional, collect biographies that can be read while each horse is on course.
- Score Sheets – tool for scoring purposes; created for use by an announcer or a designated scribe rather than the judges of the class.
- Fee Report – to be used to calculate the payment due to USHJA (\$50 per entry) within 10 days following the Derby.

Thank you again for your help. If you have any questions, please do not hesitate to contact me at [josterman@ushja.org](mailto:josterman@ushja.org) or (859) 225-6703.

Sincerely,  
Jennifer Osterman  
USHJA Sport Department Managing Director

## **Judging the**

### **USHJA International Hunter Derby**

- Hunter Derby classes are judged using accepted judging principles for hunters as well as incorporating a system of bonus points.
- The different types of fences and more difficult courses are designed to enhance our judging system of rewarding great jumping style, and athletic ability, as well as bold hunter riding.
- Horses will be judged and numerically scored on quality, movement, jumping style, manners and way of going. Pace and brilliance are to be rewarded.
- In all rounds of the Hunter Derby there must be four option fences set at a minimum of 4' in height. Each judge or judging panel must award an Option Bonus Score of one additional point for EACH of the higher option fences jumped by the rider in each round. The additional one point for each higher option fence jumped must be awarded even if there is a refusal, rail down, or loss of good jumping style at that higher option fence. First Example - If a rider jumps only one higher option fence, but has that rail down, his score would go from a 45 to a 46. Second Example - If a rider jumps only one higher option fence, but jumps it in very poor style, his score would go from a possible score of 65 to a score of 66. Third Example – If a rider attempts only one higher option fence but has a refusal, followed by a successful second attempt at the same higher option fence, his score would go from a possible score of 40 to 41.
- In the Classic Hunter Style Round of the Hunter Derby, each judging panel will give their base score for each horse-and-rider combination based on accepted hunter judging principals. This score and the Option Bonus Score will be announced separately, and then added together to determine the total score of each judging panel for this round.
- The Handy Hunter Round shall be judged on jumping style and efficiency while maintaining style and form, way of going, and overall flow. Pace and brilliance are to be rewarded. Each judging panel will give their base score for each horse-and-rider combination based on accepted handy hunter judging principles. Then, each judging panel will give their Option Bonus Score consisting of one additional bonus point for every higher height option fence jumped. These two scores will be announced separately and then added together to determine the Handy Hunter Round total from each judging panel.

- The total scores of each horse-and-rider combination from each judging panel are added together to determine that entrant's total score in each round.
- The total scores of each horse-and-rider combination in each round will be added together to determine their final overall Hunter Derby score. This score will determine the final overall standings of the Hunter Derby class.

## **USHJA INTERNATIONAL HUNTER DERBY**

### **2024 IHD Series**

#### ***USHJA AND SPONSOR PUBLIC ADDRESSES***

##### **Enrollment for the 2024 Series**

Horses may compete in a maximum of one class in the series without enrollment. After competing in one class without enrollment, horses may only compete in an International Hunter Derby if enrolled in the USHJA International Hunter Derby program for the remainder of the year. Enrolled horses are eligible for regional and national money won tracking lists. Money earned by riders on enrolled horses will count toward the regional and national rider money won tracking lists during the 2024 series. Enrollment is valid through November 30, 2024.

##### **Regional Championships**

Six regional International Hunter Derby Championships will be offered in 2024 throughout the country, providing opportunities to win regional championship titles. Horses may compete in *multiple* regional championships of the exhibitor's choice per year and must be enrolled in the program. Dates and locations of the championships are available on the USHJA website.

### **CWD Sellier, The Official Saddle of the USHJA**

Thank you to CWD for being the official saddle of the USHJA in 2024. CWD has supported USHJA as a sponsor since 2016. CWD is a sport saddle maker, primarily known for innovation for the welfare of horses and performance of riders. Ten years ago, the company spent more than \$2 million to develop its dynamic tree that aims to provide the perfect mix of flex and pressure distribution for the horse's comfort. Since then, the company has launched the "mademoiselle" saddle—the first hunter/jumper saddle developed specifically for the female rider. CWD's commitment to high-quality leather and a vegetable tanning process sets their saddles apart in longevity.
