Marshall & Sterling Insurance/USHJA National Championship Specifications

I. Qualifying Information

- A. **Qualifying:** Qualifying for the Championships differs based on the division for which you wish to compete in. **All entrants, for all sections, must apply to compete with a nonrefundable \$100 application fee by August 27, 2024**
- B. **Entry:** Entries may be submitted electronically or by mail. If by mail, entries must be postmarked before midnight EST on the date shown above. Should an entry bear both a postage meter date and postmark by the Post Office Department, the Post Office date will be considered the effective date of mailing. Should an entry bear a postage meter date and no Post Office Department postmark, the metered date shall be valid only if received within seven days of the date shown. Entries sent via courier service must be entered into the courier's system by the courier's representative before midnight on the date shown above to be considered on time. A date and/or time entered on the waybill by the sender is not considered the official date/time of sending. Dropping the entries into a courier pickup box does not constitute "postmark" until entered into the courier's system by their representative.
 1. Entries will be required to be ranked by the top sections in which they want to compete. This will be utilized after the closing date to assist us in placing you in your preferred qualified section.
 2. Late entries (after closing date) will be accepted. However, all late entries must pay the \$100 non-refundable application fee and will be placed at the bottom of the wait list regardless of points and will not be considered until all on time entries have been exhausted, regardless of zone.
 3. Entries will not be accepted through the Show Office after November 11 at 5 pm PT
- C. **Qualifying List:** Qualifying lists will be made available after entries close August 27, 2024. Note that qualifying lists are based on points earned from competitions with a start date from December 1, 2023 to August 27, 2024.
- D. Because the USHJA uses USEF point totals for the qualifying period, we urge you to send your entries early. Please ensure that your points are correct with USEF. There is no need to send lists unless there is a pending discrepancy with USEF. All point discrepancies between your total and USEF total will be resolved through USEF before acceptances are issued. Do not send USEF printouts. For qualifying for all Hunter and Jumper sections, once USHJA Zone points list are exhausted, National standings will be used on a first come first serve basis. To achieve the designated number of entries per section, after the Zone and National point lists are exhausted, entries will be accepted off the waiting list on a first come first serve basis.

II. Qualifying for USHJA Hunter National Championships

- A. Thirty (30) horses will be accepted per section as follows:

regardless of zone. If a section doesn't have a national standings list, the zone points will be compiled into a nationally ranked list.
