  - 1.20/1.25m Junior/Amateur Jumper Championship
  - 1.30/1.35m Junior/Amateur Jumper Championship

- C. The point standings (ranking) in each zone from the conclusion of the previous year's Zone Jumper Team Championship to 45 days prior to the start of the current year's Championship, will be used to determine the athlete/horse combinations acceptance to compete in that zone's championships. Ties will be decided by determining which athlete/horse combination has the most first place finishes in the classes specified below at their respective height.
- D. Zone Jumper Team Championships and Combined Zone Jumper Team Championships must accept up to a maximum of 192 athlete/horse combinations.
- E. Athlete/horse combinations are qualified for the 1.10/1.15m Championship when they have earned 20 points in the Children's and Adult Amateur Jumper section held from 1.10 to 1.15m in height. Athletes may not have competed in a class held at a height over 1.25m within the current qualifying period up through the championship.

Athletes may not have competed in a class held at a height over 1.45m within the current qualifying period up through the championship.

- I. Waiver
- If an athlete has an extenuating circumstance and wishes to apply for a waiver to any of the requirements in Section I, he must apply to the USHJA explaining the circumstances and details. The respective zone-committee will evaluate the request and provide a recommendation to the USHJA Zone Jumper Team Task Force, which will make the final decision whether to accept or deny the waiver.

  - Waivers must be submitted at least 21 days prior to the championships. Any waivers submitted after the deadline will not be considered.

I. Substitutions

- Once the definite entries are secured, and up to 14 days preceding the Monday of the Championship, if an eligible athlete/horse combination is unable to compete at the Championship, the space will be filled by the next available combination from the frozen point standings list. If a horse is unable to compete and that athlete has another qualified horse, the substitution will be allowed based on that athlete/horse combinations point standing from the frozen qualified list.
- During the week of the Championship if an entry is not able to compete, the four-member team will be reduced to three. If a three member team is reduced to two members, those athletes will compete as individuals.
- If a team is unable to field at least three members, the remaining members may compete in the championship as individuals. - To hold a Zone Jumper Team Championship, a minimum of three teams must be entered in each section or combined section. Teams may be combined by sections, combined by zone, and/or combined section and zone.
- It is the intention of the USHJA to allow as much flexibility as possible within the parameters of sound and fair competition, and good sport in the allowance of teams to be made up at event when competitors drop out or are eliminated due to sickness or injury. Example: A horse gets injured in the first class leaving only two athletes. A third athlete is available and riding as an individual. In this case a team can be made up from the three competitors and thus a team could be fielded for the team day.

In the Team Championship, each competitor on a team will receive equal Championship Points according to the team's placing. For competitors who are tied, the points will be totaled and divided by the number tied to determine the number of points each tied competitor will receive. Example: A competitor is first in the Individual Qualifier (60 points), her team is Silver (50 points), and she finishes as the bronze Medalist (3rd) in the Individual Final (40 points) for a total of 150 Zone HOTY Championship Points (not Stirrup Cup).

- B. 1.20/1.25m Junior/Amateur Jumper Championship: Because the zone HOTY Championship points for this section are awarded to competitors based upon money won, and the offering of prize money is optional for the potential host bidder, the USHJA will assign a minimum amount of money to this championship height of \$6,000. Classes offering more than \$6,000 will be capped at 6,000 points, thus pointed the same as a \$6,000 class.
- C. 1.30/1.35m Junior/Amateur Jumper Championship: Because the zone HOTY Championship points for this section are awarded to competitors based upon money won, and the offering of prize money is optional for the potential host bidder, the USHJA will assign a minimum amount of money to this championship height of \$10,000. Classes offering more than \$10,000 will be capped at 10,000 points, thus pointed the same as a \$10,000 class.
